## Total Cost Reporting ? What You Need to Know

Submitted by Rica Zara on October 21, 2022 - 4:40pm

### Total Cost Reporting is the way for both investment and segregated funds

[READ MORE](#)

The securities and insurance regulators are proposing new Total Cost Reporting rules. Sometimes referred to as CRM-3, these proposals aim to improve the cost disclosure that your clients receive and harmonize requirements between mutual funds and segregated funds.

We know that our members have questions about Total Cost Reporting. We've addressed several frequently asked questions in our latest Advocacy Bulletin.
