Grow your business with the best in market RSP Loan option with no POI/POA up to $50,000*

No Proof of Income/Proof of Assets (POI/POA) up to $50,000[1] means the advantages are bigger and better! Fewer documents needed on B2B Bank RSP Loans means:

- faster funding,
- an easier loan application process, and
- more opportunity to grow your business.

Offer your clients the ability to catch up on their unused RRSP contribution room with a B2B Bank RSP Loan.

Key benefits of a B2B Bank RSP Loan include:

- **Deferred payment options:** Clients can defer their first payment for up to 180 days. They can receive their tax return before having to make their first payment.[2]
- **Flexible terms of 1 to 10 years:** Longer terms may be available to help clients with cash flow on catch up loans.
- **Multiple funding options:** Proceeds from a single RSP Loan can be invested in an RRSP, RESP, or any combination thereof (up to a maximum of three accounts).
